

The Tucson Falcons Youth Football and Cheer program would like to invite you to contribute to our association. Our children are important in the ever-changing world around us and we would love to have your support making the children in our community healthy, upstanding citizens. The Tucson Falcons are one of the oldest youth football and spirit programs in Tucson, inspiring children for nearly 50 years. We offer the opportunity to both boys and girls, ages 5 to 14 years old an opportunity to learn healthy behaviors, become upstanding citizens, and achieve short term and long-term goals. Many of our athletes have gone on to find success on and off the field for over 50 years. We are a 501c3 nonprofit organization who depend on donations from our community leaders. All contributions that are donated by companies like yours are used to help with uniform cost, field cost and post season tournaments and competitions.
